Wall Hook*

* Shape may vary depending on the product purchased.

Step 01

INSTALL WALL BRACKET AND HOOK

Wall anchors and fasteners are included for installation. Please consult your local hardware professional to determine the hardware best suited for your wall type.

Position the hook in the desired location and orientation, then mark the mounting locations.

If the mounting location is not positioned on a stud, drill a **7/32"** hole in the marked location and insert wall anchor. If the mounting location is located on a stud, this step of installing an anchor may be skipped. Instead, drill a **1/8"** pilot hole in the marked position.

Attach wall bracket and place wall hook over wall bracket as shown.

Additional Information

CLEAN

Clean with a slightly damp, soft cloth. To remove dirt and fingerprints, use a quality cleaner formulated for wood furniture. Wipe completely dry with a soft cloth in the direction of the wood grain.
